2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

State why you are protesting the 48% increase

The current rate for water supply and distribution is already too high. I am paying much less in a similar size community elsewhere.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I can't commit at this time; but work schedule permitting, I may be able to attend.
